SCAVENGER HUNT

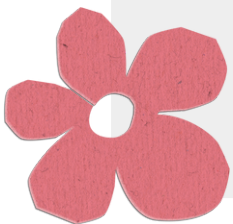

Answer the following questions to familiarize yourself with EBSCO's hobbies and crafts database.

What are three ways you can browse or search from the homepage?

Pick a category and locate one pattern or how-to guide. What did you find?

Navigate back to the homepage. Use the Browse Popular Sources section to open a full text magazine. How many total pages are in it? Hint: Use the Full Text Contents menu on the left.

Use a basic or advanced search to search for your favorite hobby. What is your hobby and how many results did you find?

What types of results did you get? Hint: locate Source Types in the filter menu on the left.

How can you email your search results to save them or share with someone else?

Use the Video/Images search (at the top) to locate a how-to video for your hobby. What is the name of the video?

What is one takeaway you've learned from exploring this database?
